Military Bowling Championships Makes Second Donation to BVL

The Military Bowling Championships, now in its 55th year, is a tradition for many active duty or retired Service members. The competition provides an opportunity to join with friends for some bowling competition and fun.

The Championships have a new tradition, however. For the second consecutive year, they have made a contribution to BVL.

“We extend our sincere thanks to High Roller for creating this great opportunity for BVL,” commented BVL Board Chair Darlene Baker. “The bowlers in the Military Bowling Championships certainly understand the importance of supporting our service men and women when they return home and need hospital care – this is a great match!”

Participants are again looking forward January 15 - 19, 2012 to travel to Las Vegas, where the event will be held at the Gold Coast and Orleans. There will be team, singles and doubles events in three divisions: Active Duty, Retired or Senior Retired.

Additionally, for those former service members that are not retired military or active duty, High Roller is also conducting their fifth annual Military Veteran Handicap Team/Singles/Doubles tournament.
